Directions

Newspaper comics often use slang, dialect, idioms and other informal forms of communication.

Locate a comic strip that includes one or more of these formats. Paste the comic strip in the space on this page.

Rewrite the captions with proper English. The cartoon's meaning may change somewhat with the new transformation. Your goal is to change wording from informal to formal communication, not necessarily keeping the meaning intact.

Describe how the meaning of the cartoon changed when the dialogue was changed from informal to formal communication.
